NEW AMENDMENTS TO REVIEW

Bill Summaries

H2095: STATE LANDS; PERPETUAL RIGHTS-OF-WAY

The State Land Department is required to grant a right-of-way for a term of at least 30 years if the grant is for the purpose of providing legal access to an applicant's private property to which access across state land is the historic access or is necessary because state land surrounds the private property or alternative access is not physically practicable or otherwise available. AS PASSED HOUSE.

First sponsor: Rep. Bowers

Single List Comments:

AMENDMENT #4385:

1. Requires the ASLD to: (a.) grant a right-of-way for at least 30 years to private property surrounded by State Trust Lands; and (b.) work with the applicant to determine appropriate location and width of the right-of-way.
2. Removes the condition that the private property must be surrounded by federal lands.
3. Requires a right-of-way to private property be granted if an alternative access is not physically practicable or otherwise available.
4. Provides ASLD with the discretion to relocate the right-of-way.
5. Specifies the right-of-way must be granted in accordance with the Arizona Constitution, state law and ASLD rules.

H2366: AGRICULTURAL LAND; FALLOWING; PROPERTY TAX

For land within an irrigation district in a county with a population of less than 900,000 persons, when classifying property as used for agricultural purposes for property tax purposes, a temporary reduction or transfer of the available water supply or irrigation district water allotments (which allows agricultural property to be inactive or partially inactive and keep the agricultural classification) must be verified by an official certification from the irrigation district to the county assessor that confirms the reduction or transfer. A certification for partial reduction is not valid for full inactivity of the farm unit for more than one year. AS PASSED HOUSE.

First sponsor: Rep. Shope

Single List Comments:

AMENDMENT #4463:

1. Permits, rather than requires, an irrigation district to verify confirmation of a temporary reduction in or transfer of available water supply for agricultural use in the farm unit.
2. Provides that certification for partial reduction is not valid for full inactivity of the farm unit for more than one year.
3. Clarifies that the official verification is only for land within an irrigation district in specified counties.
4. Modifies the county population threshold.

S1371: DELINQUENT PROPERTY TAXES; COMMON AREAS

A tax that is levied against a residential common area that is valued as a common area is the corporate liability of the homeowners' association, in addition to being a lien against the property. If a tax lien on a residential common area is sold to a purchaser, the tax lien is satisfied on payment by the purchaser of the amount of delinquent taxes, interest and penalties, but the redemption and foreclosure provisions of statute do not apply and the purchaser's recourse is through judicial action against the homeowners' association.

The governing body of a city in which a university athletic facilities district has been established is authorized to also establish a community engagement district in that city, and procedures for district formation are established. Community engagement districts are governed by a 9-member board, and the powers and duties of the board are specified. The board is required to provide for the construction, operation and maintenance of a public facility that meets a list of specified conditions. The district is authorized to enter into one or more development agreements with the city and any other party that may include debt financing for the facility's construction. Establishes provisions governing district finances and provides for regular financial and performance audits of the district. The board is authorized to levy an excise tax on business activity in the district at a rate of no more than 2 percent of the gross proceeds of sales or gross income derived from the business, including admission and user fees. Community engagement district boards are authorized to exercise, by adoption of a resolution, an option to receive 50 percent of the state transaction privilege tax revenues received from all persons conducting business under any business

classification within the district, subject to specified maximums. Before the payments may begin, the municipality in which the district is located must enter into a development agreement among all participants that includes all district-owned structures, facilities, infrastructure, equipment and other personal property, and the district board of directors must have received a financial commitment from the municipality or any lawful nongovernmental source in an aggregate amount equal to or greater than the amount to be distributed.
